

INDIA ESSEN WELDING & CUTTING 2018

8TH INTERNATIONAL TRADE FAIR
JOINING - CUTTING - SURFACING

27 - 29 November, 2018

Bombay Convention & Exhibition Centre
Goregaon (East), Mumbai, India

In conjunction with:

wire India 2018

7th International Exhibition for the
Wire & Cable Industry
www.wire-india.com

Tube India 2018

8th All Indian Exhibition for the
Tube and Pipe Industries
www.tube-india.com

METALLURGY INDIA 2018

7th International Metallurgical Technology
Processes and Metal Products Trade Fair
www.metallurgy-india.com

Closing date: **31 August 2018**

8th International Trade Fair
Joining-Cutting-Surfacing
27-29 November 2018
Bombay Convention & Exhibition Centre
Goregaon (East), Mumbai, India

www.iewc.in

New VAT regulations have been in force since January 1st, 2011 concerning the place of performance of a trade fair service. The place of performance is the place where the recipient of the service runs his business.

1. German exhibitors :

Net price without VAT (according to amendment dated November 25th, 2011 § 3a(8) value added tax)

2 Exhibitors from other EU countries (i.e. non-German EU nationals):

Net price + 19% VAT

To prove that you are an EU exhibitor, you need to provide a valid VAT ID number for your business. As soon as we have received this number, we will send you an invoice without German VAT (reverse charges).

3 Exhibitors (businesses) from outside the EU:

If, as an exhibitor, your status as a business person is not obvious, you need to provide documentary evidence of such status (e.g. from a professional organisation or association).

So, if you are an exhibitor (businesses) with the necessary documentary evidence of such status, you will receive an invoice without German VAT (reverse charges).

If you are not able to provide the necessary documentation, you have to pay Net price + 19% VAT.

REGISTRATION AND ACCEPTANCE OF THE CONDITIONS FOR PARTICIPATION

8th International Trade Fair
Joining-Cutting-Surfacing
27-29 November 2018
Bombay Convention & Exhibition Centre
Goregaon (East), Mumbai, India

www.iewc.in

Please send the original to:

Organiser

MESSE ESSEN GmbH
Auslandsabteilung
Messeplatz 1
45131 Essen
Germany

Registration deadline:
31 August 2018

Mr. Torben Brinkmann

Head of Project
Tel +49 (0)201 72 44-720
Fax +49 (0)201 72 44-513
Email international@messe-essen.de

We hereby register to participate at IEWC 2018 and apply for the rental of stand space. We acknowledge and accept the Conditions for Participation at IEWC 2018.

Product groups, categories (please enter numbers, see next page I.D)

Company name _____

Order placement for stand space, as per terms of participation:

Building, Floor _____

Area in m ²	Width in metres approx		Depth in metres approx	
	min.	max.	min.	max.
_____	_____	_____	_____	_____

Street _____

Country Code, Postal code, City _____

System stand – Basic version **270,- €/m²**
Space including stand fitting – Minimum size 12 m²
Details for furnishing and design (form 1C) Stand construction
incl. net surfaces price

Phone _____ Fax _____

System stand – Premium version **305,- €/m²**
Space including stand fitting – Minimum size 18 m²
Details for furnishing and design (form 1D) Stand construction
incl. net surfaces price

eMail _____ Internet _____

Owner, Managing director or person duly authorized to sign _____

Space without standfitting **260,- €/m²**
Raw space only – Minimum size 40 m² Price for space only

Contact trade fair _____

Registration fee per main-exhibitor **410,- €**

Phone _____ Fax _____

eMail _____

Comments

All self contractors will be required to pay a management fee of 6.00 €/sqm for on-site coordination, design approval and construction debris disposal (further details can be obtained from the technical manual).

We are exclusive general/local agents of the following companies:

VAT identification number: _____

Invoice address (if not same as exhibitor)

Company name _____

Street _____

Building, Floor _____

Country Code, Postal code, City _____

Application of Co-exhibitors please use form II.

With this registration, the Terms of Participation have been acknowledged as legally binding.

If your place of business (registered location of the recipient of services) is outside of the European Union (EU), a VAT registration certificate is required.

City, Date _____

Stamp, legally binding signature _____

If you would like to enter more than one company as a co-exhibitor, please copy this blank form for the corresponding number. Please feel free to send a corresponding enclosure.

Company name of the main exhibitor

In accordance with item 7 of the conditions of participation, we hereby register the following Co-exhibitors/additional represented companies at our stand.

Fee per company: € 500,00

The Company participates with

- own products
 own personnel
 own nameplate

Product groups, categories (please enter numbers, page I.B)

Company name

7.1.1 Package price

(incl. net surface price, min. 12 sqm, example)

WELDING
& CUTTING

8th International Trade Fair
Joining-Cutting-Surfacing

27-29 November 2018

Bombay Convention & Exhibition Centre
Goregaon (East), Mumbai, India

www.iewc.in

270,-
€/sqm

STANDBUILDING

Services included in the package price

Stand assembly and dismantling including all ancillary expenses

- Covering the entire floor area of the booth with grey needle punch carpet
- Stand partition walls to the neighbouring booths, 250 cm high, Octanorm system, white
- One **fascia with lettering** (max. 20 letters free of charge, **without logo**) at the aisle, held by aluminium modular system from top edge of booth, 26 cm high, white
- 3 Chairs
- 1 Table, 70 x 70 cm
- 1 Waste basket
- Spotlights (1 Spotlight/ 3 sqm), 100 W
- 1 Socket, 1 kW

Any waiver of individual company-specific or general services shall constitute no claim to reduction of the participation fee.

Bereitstellung
des Systemstandes

7.1.2 Premium Package

(incl. net surface price, min. 18 sqm, example)

**WELDING
& CUTTING**

8th International Trade Fair
Joining-Cutting-Surfacing

27-29 November 2018

Bombay Convention & Exhibition Centre
Goregaon (East), Mumbai, India

www.iewc.in

305,-
€/sqm

STANDUILLDING

Services included in the package price for 18 sqm stand

Stand assembly and dismantling including all ancillary expenses

- High-quality, hard-wearing carpeting in colour grey
- Octanorm Maxima lightweight system stand construction, including sturdy cabin, rear and side walls
- Lockable cabin (2 x 1 m)
- Signet board with lettering of your choice (max. 20 letters per board; two signet boards on corner stands)
- Furniture comprising four chairs, one table and one cupboard (equipment may vary from illustration)
- Waste paper basket
- 1 HQI spot per 3 sqm stand area
- 1 socket, 2 kW/ 220 V

For additional lighting, outlets etc. it is necessary to order a separate electric main connection.

Any waiver of individual company-specific or general services shall constitute no claim to reduction of the participation fee.

Please insert the code-numbers into the registration form:

Code	Term for merchandise	Code	Term for merchandise	Code	Term for merchandise
I	Plant and equipment for joining, surfacing and cutting processes	400	Electroslag cladding	9260	Sealants
1	Plant and equipment, including automation, mechanization and industrial robots, for the welding of metal, ceramic and composite materials	410	Laser cladding	9270	Exhaust systems / bag houses
10	Flash welding	420	Plasma cladding	9280	Automated spraying systems
20	Stud welding	430	Friction cladding	9290	Flow controller
30	Projection welding	440	Explosive and roll cladding	9300	Air compressors
40	Diffusion welding	450	Gas shielded arc cladding	9310	Manipulators
50	Electrogas welding	460	Submerged arc cladding	9320	Wet collectors
60	Electron beam welding	3	Plant and equipment, including automation, mechanization and industrial robots, for brazing and soldering	9330	Testing equipment
70	Electroslag welding	470	Surfacing by brazing and soldering	9340	Powder feeder
80	Narrow gap welding	471	Hot bar reflow soldering	9350	Robotics
90	Tubular wire welding	480	Electron beam brazing	9360	Soundproof rooms
100	Flux cored arc welding	490	Debrazing, desoldering	9370	Spray booths
110	Gas pressure welding	500	Flame brazing and soldering	9380	Other powders
120	Gas welding	510	High-temperature brazing	9390	Wires
130	Thermit welding	511	Induction brazing and soldering	9400	Intermetallic powders
140	Induction welding	520	Bit soldering, block brazing, roller tinning	9410	Carbide powders
150	Cold pressure welding	530	Laser beam brazing	9420	Ceramic powders (metal oxides/nitrides)
160	Enclosed resistance fusion welding	540	Arc brazing	9430	Ceramic rods
170	Capacitor discharge welding	550	Light beam brazing and soldering	9440	Metal powders
180	Laser welding	560	Bath, wave and drag soldering	9450	Self Fluxing powders
190	Manual metal arc welding	570	Microbrazing and soldering	9460	Powder mixtures
200	Pulsed arc welding	580	Furnace brazing and soldering	9465	Suspensions
210	Light beam welding	590	Friction soldering	9470	Thermoplastics
215	Linear friction welding, Friction stir Welding	600	Salt bath brazing	9480	Superfinishing
220	Magnetic pulse welding	610	Wave soldering	9490	Grinding
221	Multiple-wire welding	615	Wave Soldering	9500	Machining
230	MIG/MAG (GMA) welding	620	Dip brazing and soldering	9510	Other
240	Microwelding	630	Ultrasonic soldering	9520	Education
250	Plasma-TIG welding	640	Hot gas soldering	9530	Market research
260	Plasma welding	650	Resistance brazing	9540	Test coupons
270	Resistance butt welding	660	Reflow soldering	9550	Testing services / equipment / supplies
290	Seam welding	4	Plant and equipment, including automation, mechanization and industrial robots, for thermal spraying and other coating processes	9555	Virtual spraying
300	Butt seam welding with rotary transformer	9198	Flame spraying with wire or rod	9120	Atmospheric corrosion
315	Friction stir welding	9199	Flame spraying with powder	9130	Abradable applications
310	Explosive welding	9201	Plastic Flame spraying	9140	Electrical / electronics
320	Butt seam welding with sliding contacts	9202	High-velocity oxy-fuel spraying (HVOF)	9150	Clearance control
330	Magnetically impelled arc butt (MIAB) welding	9203	Detonation spraying	9160	High temperature corrosion
331	Tandem welding	9204	Plasma spraying	9170	Reclamation
340	Ultrasonic welding	9205	Suspension spraying	9180	Vacuum plasma
350	Firecracker welding	9206	Laser spraying	9190	Wear resistance
360	Submerged arc welding	9207	Arc spraying	9200	Thermal barrier
370	Roll butt seam welding	9208	Cold gas spraying	730	Aluminizing
380	Resistance spot welding	9209	Plasma transfer arc welding (PTA)	740	Anodizing
390	TIG (GTA) welding	9210	Pressure & vacuum blasting	750	CVD (chemical vapor deposition)
2	Plant and equipment, including automation, mechanization and industrial robots, for weld surfacing and cladding	9211	Masking compounds & tapes	760	Electrolytic oxidation
395	Additive manufacturing	9212	Blasting media	770	Enameling
		9213	Finishing tools/grinding wheels	780	Painting, varnishing
		9214	Sand-blasting equipment	790	Flame cleaning and phosphatising
		9215		800	Plastic coating
				810	Metallizing
				820	PVD (physical vapor deposition)
				830	Dip coating
				840	Tin, zinc, nickel, copper and chromium plating

8th International Trade Fair
Joining-Cutting-Surfacing
27-29 November 2018
Bombay Convention & Exhibition Centre
Goregaon (East), Mumbai, India

Please insert the code-numbers into the registration form:

Code	Term for merchandise	Code	Term for merchandise	Code	Term for merchandise
5	Plant equipment, including automation, mechanization and industrial robots, for thermal cutting and erosion	1270	Screwing	1720	Blasting
850	Oxy-fuel gas cutting	1280	Joining elements (rivets, tubular rivets, tap rivets, pop rivets, blind rivet nuts, bolts, screws)	1730	Vibratory stress relieving
860	Oxygen lancing	8	Plant and equipment, including automation, mechanization and industrial robots, for special applications	1740	Pumping
870	Flame scarfing	1300	Torch cleaning, automatic torch cleaning systems	III	General productions equipment for automation
880	Flame gouging	1310	Systems for feeding, positioning, tipping or conveying (e.g. nut feeding systems)	1	General productions equipment, systems for computer aided manufacture, data processing, manual and automatic control engineering
890	Spark erosion and chemical machining	1320	Production equipment and production lines	1900	AD, CAM, CAQ, CIM and CAP systems
900	Flame cleaning	1330	Orbital welding equipment	1910	Capture, checking and processing of process and production parameters
910	Carbon arc cutting	1340	Stack cutting	1920	Industrial plant
920	Laser beam cutting and drilling, electron beam drilling	1350	Repair welding and cutting	1930	Camera systems for monitoring design and production processes
930	Air arc gouging	1360	Underwater cutting	1940	Seam tracking and welding head guidance systems
940	Arc-oxygen cutting	1370	Underwater welding	1941	Optics for laser beam welding and/or cutting
950	Flame and fusion cutting with metal or mineral powder	1380	Welding, brazing, soldering and thermal cutting and surfacing in aerospace applications	1950	Programs (software)
960	Plasma scarfing	II	Plant and equipment for heat treatment and other production processes	1960	Computers and other hardware (mini and microcomputers, PCs, mainframes, process computers, printers, plotters, processors, etc.)
970	Plasma cutting	1	Plant and equipment, including automation, mechanization and industrial robots, for heat treatment	1970	Mass production, flexible production facilities and welding lines
980	Water jet cutting, water abrasive jet cutting	1400	Diffusion annealing	1980	Control engineering (pressure switches, solenoid and plasma valves, etc.)
6	Plant and equipment, including automation, mechanization and industrial robots, for the welding of plastics	1410	Flame stress relieving	IV	Plant for the production of filler materials and consumables
990	Extrusion welding	1420	Flame straightening	1	Plant for production of filler materials
1000	Heated tool welding	1430	Flame heating	2000	Acetylene generators and filling stations
1010	High frequency welding of plastics	1440	Hardening, tempering, annealing	2010	Conveying systems
1015	Infrared-welding	1450	Induction heating	2020	Gas manufacturing and liquefying plants
1016	Laser welding of plastics	1460	Normalizing	2	Plant for production of consumables
1020	Light beam welding of plastics	1470	Furnace heating	2030	Brazing filler and solder production plants
1030	Friction welding of plastics	1480	Stress relief annealing	2040	Welding wire production plants
1035	Rotational friction welding	1490	Soft annealing	2050	Welding electrode and flux cored wire production plants
1040	Ultrasonic welding of plastics	1500	Resistance heating	2060	Welding flux production plants
1050	Vibration welding of plastics	2	Plant and equipment, including automation, mechanization and industrial robots, for other production processes	V	Workshop and workplace equipment, safety equipment, health and safety
1060	Hot gas welding of plastics	1600	Bending, pipe bending	1	Workshop and workplace equipment, safety equipment
7	Plant and equipment and joining elements, including automation, mechanization and industrial robots, for positive and non-positive joining	1601	Millining, compressing, drawing	2100	Slings gear, cranes and elevators (crane systems, lifting forks and beams, slewing cranes, lifting magnets, electric chain hoists)
1130	Flanging	1610	Drilling	2110	Work tables (e. g. welding and cutting tables)
1140	Wire netting, wire weaving	1620	Turning, milling, planing	2120	Heat recovery systems
1150	Tamp joining	1630	Edge preparation (e.g. plate and pipe chamfering machines)	2130	Load turning devices
1160	Hanging, expanding, clamping, wedging, extending	1640	Casting	2140	Transparent/opaque screens
1170	Seaming	1650	Surface preparation and finishing	2150	Soldering fume filters
1180	Joining by extrusion or drawing	1660	Polishing	2155	Machine protection gates
1190	Joining by forming	1670	Cold dressing	2160	At-source welding fume extraction systems (stationary, mobile)
1200	Joining by lockforming (lockseaming)	1680	Sawing		
1210	Joining by compression or squeezing	1690	Sintering and hot isostatic pressing		
1220	Joining by widening or tightening (rolling in of tubes, botting, beading)	1700	Grinding		
1230	Joining by winding	1710	Cutting (e.g. plate shearing), stamping, nibbling		
1240	Stapeling (using by wirestaples)	1711	Welding conditioning		
1250	Riveting				
1260	Pressure joining (press-fitting, shrink-fitting, expansion-fitting)				

8th International Trade Fair
Joining-Cutting-Surfacing
27-29 November 2018
Bombay Convention & Exhibition Centre
Goregaon (East), Mumbai, India

Please insert the code-numbers into the registration form:

Code	Term for merchandise	Code	Term for merchandise	Code	Term for merchandise
2170	Sound absorbing materials, soundproof chambers	2520	Gas lighters	2810	Filler materials for high alloy cast steels
2180	Safety device for industrial robots (e. g. door locking systems, control boards, visual supervision systems)	2530	Globoidal drive	2820	Filler materials for plastics
2181	Welding booths	2540	Clamps (terminals, earthing, workpiece) and polarity testers	2830	Filler materials for non-ferrous metals and alloys
2182	Welding curtains	2550	Cooling systems	2840	Filler materials for unalloyed and low alloy steels
2183	Protective screens	2551	Magnetic valves	2850	Filler materials for unalloyed and low alloy cast steels
2190	Weld fume filters and filtration systems	2552	Water-, oil-, air-cooler	2860	Filler materials for wear and corrosion resisting deposits
2200	Protection devices against fires and explosions	2560	Magnets for welding, magnetic handling equipment	2865	Filler materials for underwater welding
2210	Protection equipment against high energy radiation (e.g. X-rays, laser radiation)	2570	Assembly systems, assembling and positioning devices (clamps, roller blocks, line-up clamps)	2870	Filler materials for other materials
2211	Stationary vacuum cleaners for industrial use	2571	Plasma valves	1.2	Filler materials for welding, cutting and coating (classified by types)
2220	Exhaust and ventilation systems	2580	Spot welding guns	2880	Wires, strips and plates for submerged arc and electroslag welding
2230	Work benches, workshop lockers	2581	Robot holding bracket	2890	Wires and strips for micro welding
2240	Workshop stools, aids to stability	2590	Chipping hammers and wire brushes	2900	Wire electrodes for gas metal-arc welding
2250	Workshop trolleys, cylinder trolleys	2600	Hoses, hose couplings, hose connections, hose package	2910	Flux cored wires and strips
2260	Tools	2610	Hose press	2920	Tubular stick electrodes
2270	Other protective and safety devices (e.g. signs warning against possible Hazards, fire extinguishers, fire blankets)	2611	Welding-sets, diesel or gasoline driven	2930	Welding fluxes
2	Health and safety (personal protective equipment)	2620	Filler, wire spools	2940	Gas welding rods
2300	Respiratory protection (filters-, insulating devices)	2630	Welding flux feeding and recovery devices	2950	TIG (GTA) welding rods
2310	First aid equipment, medicines	2640	Welding mirrors	2960	Gouging and thermal cutting electrodes
2315	Externally ventilated welding helmets	2650	Welding leads and connectors	2970	Underwater welding and cutting electrodes
2320	Ear protection (wadding, ear plugs, ear muffs)	2660	Secondary cables for resistance welding	2980	Thermit welding materials
2330	Laser protection	2670	Clamping systems, clamping elements	2990	Covered electrodes (manual metal arc welding)
2340	Protective clothing (helmets, aprons, garments, shoes, gloves)	2671	Steel-wire brushes and hand brushes for welds	3000	Filler materials for laser beam welding
2350	Welder's head screens and shields, protective goggles, eye protective filters	2680	Drying cabinets (electrodes and fluxes), heated quivers, baking ovens	2.1	Filler materials for thermal spraying (classified by composition)
2360	Other protective equipment	2690	Workpiece handling systems (lift and shift systems, dial tables) other accessories, pumps and other auxiliary equipment	3010	Carbide powders
VI	Accessories	2691	Tool changing systems	3020	Ceramic powders (metal oxides/nitrides)
1	General accessories	2695	Tools for joint preparation	3030	Metal powders and wires
2400	Equalizing systems (e.g. for spot welding guns)	2700	Other accessories, pumps and other auxiliary equipment	3040	Powder mixtures
2410	Weld backings and adhesive tapes (for one sided welding)	2	Gas supply accessories	3045	Suspensions
2411	Torch-neck changing systems	2710	Gas sources/tanks with pipework and valves (storage tanks, tankers, containers, cylinder racks and batteries, individual cylinders)	3050	Thermoplastics
2420	Torch and welding head manipulation systems	2720	Central switching, pressure regulating and safety units, gas mixing units and valves for supply pipework (switching, pressure regulating and safety devices, valves, gas filters, gas flow and pressure meters)	2.2	Filler materials for thermal spraying (classified by process and type of spray material)
2430	Controlled feeding devices (e. g. for adhesives, solders and powders)	2730	Equipment for gas take-off stations (stop valves, pressure regulators, gas mixers, safety devices, take-off boards)	3060	Filler materials for flame spraying (wires, rods, powders)
2431	Wire-guide spiral	2740	Individual cylinders (pressure reducers and anti-flashback and backflow devices)	3070	Filler materials for arc spraying (wires)
2440	Wire feeders	2750	Special equipment and general accessories (automatic switching and pressure control systems, gas analyzers, pipe identification stickers, clamps etc.)	3080	Filler materials for plasma spraying (powders)
2450	Turntables and tilt-turn positioners, lift tables	VII	Filler materials	3090	Filler materials for molten metal spraying
2460	Pressure cylinders for pressure and resistance welding	1.1	Filler materials for welding and coating specific materials (classified by material groups)	3091	Filler materials for HVOF-spraying (powder)
2470	Workpiece storage equipment (belts, pallets, stores)	2800	Filler materials for high alloy steels	3092	Filler materials for coldgas spraying (powder)
2480	Resistance welding electrodes			3093	Filler materials for suspension spraying (suspension)
2485	Materials for resistance welding electrodes			3.1.	Solders (classified by composition)
2490	TIG (GTA) welding electrodes			3100	Lead-tin solders
2500	Electrode holders			3110	Solders for aluminium
2510	Electrode grinding devices			3120	Tin-lead solders with or without Cu, Ag, Padditions
				3125	Leadfree solders
				3130	Other solders

Plot No. 4, Jasola District Centre
Near Apollo Hospital, Jasola
New Delhi – 110 025
Tel.: +91 (0) 11 4855 0061
Fax: +91 (0) 11 4855 0049

in co-operation with

DVS – Deutscher Verband für Schweißen und verwandte Verfahren e.V.

Aachener Str. 172
40223 Düsseldorf
Germany
Phone: +49/211/15 91-0
Fax: +49/211/15 91-200

3 Venue

Hall 2, Bombay Convention & Exhibition Centre
Goregaon (E), Mumbai – 400063
India

4 Dates

Construction : 24– 26 Nov. 2018
Duration : 27 - 29 Nov. 2018
Dismantling : 29 Nov. 2018 from 05:00 p.m.
Opening times : 27 - 28 Nov. 2018 10:00 a.m. - 06:00 p.m.
29 Nov. 2018 10:00 a.m. - 05:00 p.m.

5 Deadline for Registration

31 August 2018

6 Catalogue Entry

6.1 Registration fee

A one-off registration fee of 410.– EUR is due and payable upon submission of application.

The exhibitor shall be billed for such amounts.

The registration fee includes a basic entry in the catalogue (max. 4 lines), consisting of exhibitor's name (in Latin) and the full address.

6.2 Catalogue Entry

The exhibitor is forwarded separate forms in due course for catalogue entries in addition to the 6.1 entry.

This provisions (6.1 and 6.2) also apply to co-exhibitors.

6.3 The catalogue is issued by the Organizer.

Exhibitors will receive in plenty of time either from Messe Essen or MDI an appointed third party full details on catalogue entries and placing of advertisements.

No claims can be entertained for incorrect, incomplete or omitted entries.

7 Participation fees

The costs of participation to be paid are as set forth in the participation options described under 7.1–7.4 below.

7.1 Stand space inside exhibition hall

7.1.1 **Package price:** (Minimum Stand space: 12 sqm) **€ 270.–/sqm**
(with surface price)

Basic equipment for shell scheme model

Stand construction and dismantling, incl. all ancillary costs, comprising:

- Covering the entire floor area of the booth with carpet (grey)
- Stand partition walls to the neighbouring booths, 250 cm high, Octanorm system, white
- 1 fascia with lettering at the aisle, 26 cm high, white (without Logo)
- 3 Chairs
- 1 Table, 70 x 70 cm
- 1 Waste basket
- Spotlights; (1 Spotlight / 3 sqm), 100W
- 1 Socket, 1 kW

7.1.2 **Premium Package:** (Min. Stand space: 18 sqm) **€ 305.–/sqm**
(with surface price)

Premium equipment for shell scheme model, 18 sqm stand space

Stand construction and dismantling, incl. all ancillary costs, comprising:

- High-quality, hard-wearing carpeting in colour grey
- Octanorm Maxima lightweight system stand construction, including sturdy cabin, rear and side walls
- Lockable cabin (2 x 1 m)
- Signet board with lettering of your choice (max. 20 letters per board; two signet boards on corner stands)
- Furniture comprising 4 chairs, one table and one cupboard (equipment may vary from illustration)
- 1 HQI spot per 3 sqm stand area
- Waste paper basket
- 1 socket, 2 kW/ 220 V.

For additional lighting, outlets etc. it is necessary to order a separate electric main connection.

7.1.3 **Price for raw space only** **€ 260.–/sqm**
(Minimum Stand space: 40 sqm)

7.2 **The co-exhibitor fee is** **€ 500.–**

7.3 **Registration fee per main exhibitor** **€ 410.–**

7.4 General services and facilities

- Provision of net fair space (stand area) during the official opening hours
- Pro rata charge for collectively used area (difference between gross and net area)
- Stand number
- Cleaning of aisles and passages in halls (exhibitors are responsible for cleaning stands)
- General security (no individual surveillance)
- Fire and protection service during assembly, event and dismantling
- Carpet in the aisles
- General illumination during assembly, event and dismantling
- Design of open-air space and halls (flags, inscriptions)
- Equipping and operating a MD service centre (telephone and telefax exchange, travel agency, forwarding agents, technical facilities office and organiser's office)
- Comprehensive visitor canvassing
- Information stands for visitors
- Mandatory liability insurance by local organisers

7.4 Taxation

The prices for the services do not include VAT and/or other charges for Goods and Services. Such taxes, fees or duties – if applicable – shall be borne and paid by purchaser in addition to the contract price as stated.

The customer will effect all payments due hereunder without withholding of, deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by any governmental authority in connection with this Agreement. If the customer becomes obligated by law to make such withholding or deduction at source, the customer will pay to the Messe Essen GmbH such additional amounts as may be necessary to enable the Messe Essen GmbH to receive on the due date a net amount equal to the full amount which it would have received the payment had not been subject to the Taxes.

The customer shall promptly pay all of the Taxes, deductions and withholdings and shall not later than eight Business Days after receiving the same, furnish the Messe Essen GmbH with such certificates, receipts or other documents confirming receipt by the competent authority of such payments.

8 Application

Applications must be submitted using the enclosed form, acknowledging these Conditions of Participation. The completed application form bearing a legally binding signature should be mailed to:

Messe Essen GmbH
Dep. Foreign Trade Shows
P.O. Box 100165
45001 Essen
Germany

No account shall be taken of conditions or provisos contained in applications. Requests for specific sites do not constitute a condition of participation. The application shall be binding irrespective of admission by Messe Essen.

Only upon receipt by Messe Essen shall the application be deemed to have been submitted; it shall be binding pending final admission or non-admission. Particulars given shall be stored for automatic data processing and shall be made available to third parties upon implementation of the contract. Any applications received after the registration deadline can only be considered if sufficient space is available. Any services offered by companies having exclusive rights in the fair grounds must be ordered through Messe Essen.

9 Admission

In principle, only those exhibitors are admitted whose product range is covered by the title and remit of the event. There is no legal right to admission.

Messe Essen decides on the admission of exhibitors and exhibits. Any firm which has failed to meet its financial obligations as against Messe Essen (from previous fair participations and/or under the terms of these Conditions of Participation, Item 10) may be rejected.

Exhibitors will be informed of admission in writing and admission shall apply only to the exhibitor stated therein. The mailing of the notice of admission gives rise to a contract between Messe Essen and the exhibitor. Messe Essen shall be entitled to revoke any admission if such admission was based on a misunderstanding, false information or if the preconditions for admission no longer apply.

Should Messe Essen be compelled to relocate or change individual stands, entrances, exits or aisles at a later point in time, this shall not give rise to any claims. If through no fault on the part of Messe Essen the space allocated is no longer available, the exhibitor shall be entitled to a refund of the participation fee. No claims for damages may be submitted.

Following admission by Messe Essen (conclusion of the contract), the obligation to pay the participation fee shall remain legally binding even if, for example, the authorities in the exhibiting

country do not approve, in whole or in part, the exhibitor's import requirements, or if exhibits fail to arrive in time or to arrive at all (e.g. owing to loss, delays in transit or customs), or if the exhibitor or his agent is delayed or even unable to attend.

Should the exhibitor or his agent fail to take over the allocated stand area two days prior to the beginning of the event, such area may be otherwise disposed of. This shall not release the exhibitor from his contractual obligations or entitle him to a demand refund or lodge any other claims.

10 Terms of Payment

- 10.1 Participation costs set forth in Item 7 shall become due upon approval of the admission. The exhibitor shall be billed for this account.
- 10.2 Bills for other, separately ordered services or deliveries shall be payable at the time of performance or on the date of the bill at the latest.
- 10.3 From 1 January 2006, a European Payments Council resolution requires all European banks to process all cross-border euro payments, received within the European Union and the European Economic Area (EEA), with mandatory BIC (Bank Identifier Code - colloquially known as the SWIFT code) and IBAN (International Bank Account Number) information.

Remittances quoting the name of the event, customer's and bill numbers, are payable into the following account of Messe Essen:

Postbank Essen

P.O. Box
45116 Essen
Germany

IBAN: DE24 36010043 0025089433

BIC: PBNKDEFF

- 10.4 For all outstanding liabilities Messe Essen may retain the stand equipment and products of the relevant exhibitor as security. Sec. 562a, sent. 2 of Germany's Civil Code (BGB) shall not apply. Messe Essen shall not be liable for damage to and/or loss of goods to which a lien attaches.
- 10.5 If invoices are sent to a third party on the exhibitor's instructions, the latter shall still remain debtor.
- 10.6 In case of default, interest shall be charged at a rate 8% above the current base rate according to Sec. 247 of Germany's Civil Code (BGB). Where payment dates are not met, Messe Essen shall be entitled to rescind the contract or otherwise dispose of the stand area. Item 11 of the Conditions of Participation shall apply.

11 Withdrawal or Non-Participation

The exhibitor is entitled to withdraw his application prior to admission. Should an exhibitor withdraw his application after the date of deadline for registration but prior to admission, he shall forfeit any advance payment made.

Following admission, the exhibitor is no longer entitled to withdraw his application or reduce the exhibition space. Both the participation fee and any other costs actually incurred must be paid. Where the exhibitor fails to occupy the stand area allocated to him and where such area can be otherwise rented by Messe Essen (except by way of exchange), the exhibitor shall pay 40% of the participation fee as well as any other costs actually incurred. The exhibitor reserves the right to furnish evidence that the costs demanded of him are excessive.

Withdrawal by the exhibitor or any waiver of the allocated stand area shall only become effective upon receipt by Messe Essen of a written declaration to that effect.

Messe Essen is entitled to rescind the contract in the event of an application for insolvency proceedings in respect of the exhibitor's assets or where such an application is rejected on the grounds of insufficient assets. The exhibitor shall inform Messe Essen thereof at once.

12 Co-exhibitors and group stands

Without the prior consent of Messe Essen, exhibitors are not permitted to give their allotted stand either fully or in part to a third party, whether for payment or free of charge. Products or companies other than those specified on the admission slip cannot be advertised on the stand.

Permission to accept co-exhibitors will be given only upon application in writing by the exhibitor to Messe Essen. The co-exhibitor is liable to the same conditions as the main exhibitor. The co-exhibitor is required to pay the co-exhibitor fee to Messe Essen. The main exhibitor will, however, always be liable for the payment of the co-exhibitor's fee. If a co-exhibitor is admitted without the consent of Messe Essen, Messe Essen will have the right to cancel the contract with the main exhibitor without further notice and to clear the stand at the exhibitor's cost. The exhibitor waives the rights of unwarranted interference. The exhibitor will have no right to claim damages.

Co-exhibitors are all exhibitors who are represented on a stand with their own staff and own exhibits alongside the main exhibitor. Companies with close economic or organisational ties are also classified as co-exhibitors. Company representatives will not be admitted as co-exhibitors. Additionally represented companies are classified as those whose exhibits are shown by the exhibitor.

Manufacturers of such equipment, machinery or other products which are necessary for the demonstration of an exhibitor's products are not regarded as co-exhibitors or as additionally represented companies. In accordance with the admissions regulations co-exhibitors can be entered into the catalogue with their full address provided all fees have been paid and the necessary documents have been received by the specified deadline.

Messe Essen can authorise group stands provided they are in keeping with the overall pattern of the event. Exhibitors on group stands are subject to all regulations. If a stand is allocated to two or more companies, each company will be jointly and severally liable to Messe Essen. Companies on a joint stand should nominate a common representative on the application form.

13 Exhibits

All exhibits must be listed individually on the application form giving an exact description. Any display of inflammable or pungent exhibits or exhibits whose demonstration entails noise requires the prior written consent of Messe Essen.

Exhibits may not be removed during the course of the event. The operation and demonstration of exhibits is only admissible within the scope of legal requirements and accepted standards. Messe Essen is neither in charge of nor responsible for questions of legal requirements and licenses, quotas or transfers of sales proceeds.

14 Technical Guidelines

The Technical Guidelines are a constituent part of these Conditions of Participation and must be adhered to. The Technical Guidelines shall be handed over to the exhibitor at the latest with the order form for services.

15 Fair Insurance and Exclusion of Liability

Messe Düsseldorf has concluded a general exhibitor insurance contract covering the usual insurable risks such as fire, burglary, theft, breakage, leakage and water damage, including the risks of transportation to and from the fairgrounds. On application each exhibitor can have his participation risk covered at his own expense under this general insurance contract. On request a corresponding form will be sent to the exhibitor under separate cover together with the service package offer.

Exhibitors who do not avail themselves of the insurance cover offered by this general insurance contract or do not do so in time acknowledge in respect of the exhibitor company that they waive all right to asserting any claims for damages which would have been covered, had they taken out the insurance protection offered.

All damages incurred must be reported in writing to the police and to the insurance broker (also by telex or telefax). Incidences of fire,

theft and burglary must be reported to the trade fair management and the police within 24 hours. Messe Düsseldorf is liable for financial losses and damage to property or assets only in the case of wilful intent or gross negligence.

Messe Essen accepts no duty to exercise proper care with respect to exhibits and/or stand fittings. This exclusion is in no way limited by the security measures provided or decoration services undertaken in individual cases.

The exhibitor is liable for all damages caused to third parties as a result of his exhibitor participation, including damage to buildings on the fairgrounds and to the exhibition halls and/or their furniture and fittings, save where such damages are covered by a local third-party indemnity insurance.

16 Circulars

Once the stand areas have been allocated, the exhibitors receive circulars giving information on preparations for and the staging of the fair.

Any consequences arising from disregarding these circulars shall be borne by the exhibitor.

17 Reservations

Any rules and regulations of the host country or of the local contractual partner differing from these Conditions of Participation or imposing additional restrictions shall have precedence at all times. Messe Essen shall not be liable for any resulting losses or other disadvantages for the exhibitor.

Messe Essen shall be entitled to postpone, curtail, extend or cancel the event and to close individual or all sections of the fair either temporarily or permanently where unforeseen circumstances so dictate. Should it become necessary to postpone, curtail, extend or cancel the event, the exhibitor shall not be entitled to withdraw from the contract or to claim compensation; should he nevertheless waive his right to the stand area allocated to him, Item 11 of these Conditions of Participation shall apply. Messe Essen shall not be liable for any losses sustained or disadvantages suffered by the exhibitor as a result of a cancellation. Rather, the exhibitor shall in such case be required to bear a reasonable share of the costs incurred by Messe Essen in preparing for the event.

Where the exhibitor has placed orders with Messe Essen for services supplementary to those covered by the participation fee (Item 7), he shall be billed for the contributions incurred until this point in time.

18 Final Provisions

In submitting the application, the exhibitor agrees to these Conditions of Participation.

Any other agreements, individual permits or special arrangements shall require written confirmation by Messe Essen.

The mutual rights and duties hereunder shall be subject to the law of the Federal Republic of Germany. The German text shall be binding. Failing other arrangements subject to the prior consent of Messe Essen, place of performance for payments is Essen.

Place of jurisdiction (venue) is Essen or, at the discretion of Messe Essen, the registered office of the exhibitor.

Should any of the above terms be or become invalid, this shall not affect the validity of the remaining terms. The resulting gaps shall be filled in such a way as to maintain the sense and purpose of the contract.

Any claims of the exhibitor as against Messe Essen shall be barred after six months.

The period of limitation shall commence with the end of the month in which the event closed.
